MCPc Selected as Canon Authorized Dealer

CLEVELAND – Canon U.S.A., Inc., a leader in digital imaging, today issued a [press release](#) announcing that MCPc has been named a Canon Authorized Dealer. MCPc will soon offer Canon’s full portfolio of color and monochrome imageRUNNER and imageRUNNER ADVANCE solutions to the Northern Ohio area.

MCPc’s customers will benefit from an expanded lineup of complete document management solutions which will enable customers to increase workplace efficiencies and improve financial performance.

“We are extremely excited to join the Canon network of authorized dealers,” said Mike Trebilcock, CEO, MCPc. “As an authorized dealer, we look forward to providing our customers in Northeastern Ohio with a comprehensive portfolio of world-class imaging solutions and customer support that will help them reduce overall costs and streamline business operations. We are proud to represent Canon in this marketplace.”

MCPc has received a number of industry awards and has been granted several distinguished vendor certifications including Cisco Gold Partner, Cisco Gold Star Customer Satisfaction, Microsoft Gold Partner, NEOSA’s Best IT Services Company and the NorthCoast99.
